Anyone who attends Memorial High School may come tryout for the golf team. We are fortunate to have a very successful and talented team at Memorial, which makes it competitive to make the team. Everyone who signs up to tryout will play 36 holes of stroke play at Jersey Meadow GC. Cheating, throwing clubs, profanity, or being disrespectful to other players will not be tolerated. I pay attention to much more than simply golf scores during this process. Important characteristics I look for are: work ethic, attitude, how you treat people, and body language. Tee times will be assigned one week before the tryout dates and will be posted on our website. If anyone has any questions please feel free to email me.

### Frequently Asked Questions:

#### **Is it possible for someone to earn an exemption from tryouts?**

Yes, everyone CAN earn an exemption and not have to try out. There are two ways to earn an exemption: 1. Play in the State Championship golf tournament the previous year, or 2. Be ranked inside the top 2000 on the Junior Golf Scoreboard.

We will no longer require anyone to compete in summer golf tournaments, this will strictly be a tryout result based team. I HIGHLY encourage those who are trying out to play summer golf. It is the fastest way to improve at competitive golf. But it is no longer required.

#### **What will I have to shoot at tryouts in order to make the team?**

It depends. Juniors and Seniors need to finish in the top 10 in order to make the team. There is not an exact score, it's based on the competition.

#### **What else do I need to know before I try out?**

The Memorial Golf team is not a place for absolute beginners. There is an expectation that you will know how to play some golf at a competitive level. Basic understanding of the rules is necessary. There will be an expectation that you are going to improve at the sport and work hard to get better everyday. We play golf as a sport, not as a game. If you like to compete and work to get better, this is the environment you're looking for. If you just like to be at the course messing around with friends and think you're good enough already, this is not the environment for you.

Finally, all students must complete all physical and medical forms through

[www.rankonesport.com](http://www.rankonesport.com) in order to try out. There will be no exceptions. You can bring your physical to the front office with "ATTN: Paul Colquitt" written on it, so I receive it.
